1. INTRODUCTION

2. Purpose of Our Policy

The main objective of the Mt. Clear Cricket Club Member Protection Policy (“policy”) is to maintain responsible behaviour and the making of informed decisions by members and other participants in this Club.

This policy outlines our commitment to a person’s right to be treated with respect and dignity, and to be safe and protected from discrimination, harassment and abuse.

Our policy informs everyone involved in our Club of their legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in our Club’s activities.

In particular, the policy governs unfair selection decisions and actions, breaches of our code of behaviour and behaviour that occurs at training sessions, in our facilities, at social events organised or sanctioned by the Club (or our sport), and on away and overnight trips. It also covers private behaviour where that behaviour brings our Club or sport into disrepute or there is suspicion of harm towards a child or young person.

7. Protection of Children

a. Child Protection

The Mt. Clear Cricket Club is committed to the safety and wellbeing of children and young people who participate in our Clubs activities or use our services. We support the rights of the child and will act at all times to ensure that a child safe environment is maintained. We support the rights and wellbeing of our volunteers and encourage their active participation in building and maintaining a secure and

safe environment for all participants. The Mt. Clear Cricket Club acknowledges the valuable contribution made by our members and volunteers. We encourage their active participation in providing a safe, fair and inclusive environment for all participants.

b. Identifying and Analysing Risks of Harm

The Mt. Clear Cricket Club has in place a Risk Management Plan, which includes a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of a volunteer or another person.

c. Developing Codes of Conduct for Adults and Children

We will develop and promote a code of conduct that specifies standards of conduct and care we expect of adults when they deal and interact with children, particularly those in our care. We will also implement a code of conduct to promote appropriate behaviour between children.

The codes will clearly describe professional boundaries, ethical behaviour and unacceptable behaviour. (See Attachment 3)

d. Choosing Suitable Volunteers

The Mt. Clear Cricket Club will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children, especially those in positions that involve regular unsupervised contact with children. This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

The Mt. Clear Cricket Club will ensure that “Working with Children” checks are conducted for volunteers working with children. (See Attachment 2)

e. Support, Train, Supervise and Enhance Performance

The Mt. Clear Cricket Club will ensure that all our volunteers who work with children have ongoing supervision, support and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our Club.

f. Empower and Promote the Participation of Children In Decision-Making

The Mt. Clear Cricket Club will promote the involvement and participation of children and young people in developing and maintaining a child-safe environment in our Club.

g. Report and Respond Appropriately to Suspected Abuse and Neglect

The Mt. Clear Cricket Club will ensure that volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under state laws to make a report if they suspect on reasonable ground that a child has been, or is being, abused or neglected (See Attachment 4). In addition to any legal obligations, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in

breach of this policy they may make an internal complaint.

Please refer to our complaints procedure in section 10 of this policy.

Any person who believes a child is in immediate danger or in a life-threatening situation, should contact the police immediately.

h. Supervision

Children under the age of 18 must be supervised at all times by a responsible adult. We endeavour to provide an appropriate level of supervision at all times. If a member finds a child under the age of 18 is unsupervised, they should assume responsibility for the child's safety until the child's parent/guardian or supervisor is located.

For reasons of courtesy and safety, parents must collect their children on time. If it appears a member will be left alone with just one child at the end of any Club activity, they will ask another member to stay until the child is collected.

i. Transportation

Parents and or guardians are responsible for organising the transportation of their children to and from Club activities (e.g. training and games). Where we make arrangements for the transportation of children (e.g. for away matches or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and the appropriate safety measures are in place (e.g. fitted working seatbelts).

j. Taking Images of Children

Images of children can be used inappropriately or illegally. We require that members, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child that is not their own. We will also make sure that the parent or guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets, which we control or are used in connection with our Club.

When using a photo of a child, we will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the child's parent or guardian. We will not provide information about a child's hobbies, interests, school or the like.

We will only use images of children that are relevant to our Club's activities and in a manner that promotes our Club.

We will seek permission from a child's parent or guardian before using their images.

k. Live streaming

Live streaming of cricket matches where Mt Clear CC is participating will occur from time to time. Parents and guardians will be notified in advance of when such live streaming may take place and by what mediums it will be broadcast. We will, wherever possible, obtain permission from a child's parent or guardian before live streaming of cricket matches involving children.

8. Discrimination, Harassment and Bullying

Our Club is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment and bullying.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed or bullied.

a. Discrimination

Unlawful discrimination involves the less favourable treatment of a person on the basis of one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- a) **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- b) **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practice is not reasonable.

For the purpose of determining discrimination, the offender's awareness and motive are irrelevant.

b. Harassment

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation. The offensive behaviour does not have to take place a number of times; a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

The State anti-discrimination laws that apply, as well as the Federal anti-discrimination laws cover every person.

The following is a list of all the personal characteristics that apply throughout Australia:

- Gender;
- Race, colour, descent, national or ethnic origin, nationality, ethno-religious origin, immigration;
- National extraction or social origin;
- Marital status, relationship status, identity of spouse or domestic partner;
- Pregnancy, potential pregnancy, breastfeeding;
- Family or carer responsibilities, status as a parent or carer;
- Age;
- Religion, religious beliefs or activities;
- Political beliefs or activities;

- Lawful sexual activity;
- Sexual orientation and gender identity;
- Profession, trade, occupation or calling;
- Irrelevant criminal record, spent convictions;
- Irrelevant medical record;
- Member of association or organisation of employees or employers, industrial activity, trade union activity;
- Physical features;
- Disability, mental or physical impairment;
- Defence service; and
- Personal association with someone who has, or is assumed to have, any of these personal characteristics.

Legislation also prohibits:

- Racial, religious, homosexual, transgender and HIV/AIDS vilification; and
- Victimisation resulting from a complaint.

c. Bullying

The Mt. Clear Cricket Club is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our Club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend or intimidate a person. Bullying behaviour can include actions of an individual or group.

Whilst generally characterised by repeated behaviours, one off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- a) Verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- b) Excluding or isolating a group or person;
- c) Spreading malicious rumours; or
- d) Psychological harassment such as intimidation.

Bullying includes cyber-bullying, which occurs through the use of technology. New technologies and communication tools, such as smart phones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. We will not tolerate abusive, discriminatory, intimidating or offensive statements being made online.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to section 10 of this policy.)

9. Inclusive practices

Our Club is welcoming and we will seek to include members from all areas of our community. The following are examples of some of our inclusive practices.

a) People with a disability

The Mt. Clear Cricket Club will not discriminate against any person because they have a disability. Where it is necessary, we will make reasonable adjustments (e.g. modifications to equipment and rules) to enable participation.

b) People from diverse cultures

We will support, respect and encourage people from diverse cultures and religions to participate in our Club and where possible we will accommodate requests for flexibility (e.g. modifications to uniforms).

c) Sexual & gender identity

All people, regardless of their sexuality or gender identity, are welcome at our Club. We strive to provide a safe environment for participation and will not tolerate any form of discrimination or harassment because of a person's sexuality or gender identity.

10. Responding to Complaints

a. Complaints

Our Club takes all complaints about on and off-field behaviour seriously. Our Club will handle complaints under this policy, based on the principles of procedural fairness, and ensure:

- All complaints will be taken seriously;
- The person who is the subject of the complaint will be given full details of what is being alleged against them and have the opportunity to respond to those allegations;
- Irrelevant matters will not be taken into account;
- Decisions will be unbiased; and
- Any penalties imposed will be reasonable.

More serious complaints may be escalated by the MPIO to the BCA, Cricket Victoria or Cricket Australia.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our Club may need to report the behaviour to the police and/or relevant government authority.

b. Complaint Handling Process

When our Club receives a complaint, the person receiving the complaint (e.g. President, MPIO) will:

- Listen carefully and ask questions to understand the nature and extent of the concern;
- Ask the complainant how they would like their concern to be resolved and if they need any support;

- Explain the different options available to help resolve the complainant's concern;
- Inform the relevant government authorities and/or police, if required by law to do so; and
- Where possible and appropriate, maintain confidentiality but not necessarily anonymity.

Once the complainant decides on their preferred option for resolution, the Club will assist, where appropriate and necessary, with the resolution process. This may involve:

- Supporting the person complaining to talk to the person being complained about;
- Bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- Gathering more information (e.g. from other people that may have seen the behaviour);
- Seeking advice from our district, regional, state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- Referring the complaint to the BCA at first instance or to Cricket Victoria if the matter is a serious or criminal complaint; and/or
- Referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a serious or criminal complaint is referred to Cricket Victoria and an investigation is conducted, the Club will:

- Co-operate fully with the investigation;
- Where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- Act on our State or Territory Cricket Association's recommendations.

At any stage of the process, a person can seek advice from an anti-discrimination commission or other external agency and, if the matter is within their jurisdiction, may lodge a complaint with the anti-discrimination commission or other external agency. Complaints of a criminal nature will be reported to police immediately.

c. Disciplinary Sanctions

Our Club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach; and
- Be determined by our constituent documents, by Laws and the rules of the game.

Possible sanctions that may be taken include:

- A direction that the individual make verbal and/or written apology;
- A direction that the individual undertake and complete a course (such as

those offered by Play by the Rules);

- Counselling of the individual to address behaviour;
- Withdrawal of any awards, placings, records, achievements bestowed in any tournaments, activities or events held or sanctioned by our Club;
- Suspension or termination of membership, participation or engagement in a role or activity;
- De-registration of accreditation for a period of time or permanently;
- A fine; or
- Any other form of discipline that our Club considers reasonable and appropriate.

d. Appeals

The complainant or respondent may be entitled to lodge an appeal against a decision made in relation to a complaint (including a decision where disciplinary sanctions are imposed by our Club) to our Local, State or Territory Cricket Association. Appeals must be based on any right of appeal provided for in the relevant constituent documents, rules and regulations or by laws.

11. Education

The club will continue to maintain awareness of the policy via club newsletters and social media feeds and other methods as deemed appropriate from time to time.

12. Review

The Member Protection Policy will be reviewed annually to ensure that the policy remains current and practical to the club's goals, objectives and requirements

Attachment 2 - Working with Children Check Requirements

Working with Children checks aim to create a child-safe environment and to protect children and young people involved in our sport from physical and sexual harm.

They assess the suitability of people to work with children and young people and can involve:

- a) Criminal history checks;
- b) Signed declarations;
- c) Referee checks; and
- d) Other relevant background checks to assess a person's suitability to work with children and young people.

Working with Children check requirements vary across Australia.

[Fact Sheets](#) for each state and territory are available on the Play by the Rules website: www.playbytherules.net

Detailed information, including the forms required to complete a Working with Children check, are available from:

The Department of Justice

Website: www.workingwithchildren.vic.gov.au

Phone: 1300 652 879

Travelling to other states or territories

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that particular state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your Club is travelling interstate to do work that would normally require a working for children check, you will need to check the relevant requirements of that state or territory.

Attachment 3 - Codes of Behaviour

In regards to Code of Behaviour, the Mt. Clear Cricket Club adopts and complies with the BCA and Cricket Victoria's Codes of Behaviour and are referred to here:

a. General Codes of Behaviour

As a person required to comply with this By-law, you must meet the following requirements in regard to your conduct during any activity held by, sanctioned by or under the auspices of a Community Cricket Peak Body, an Affiliated Association or an Affiliated Club:

- Demonstrate a high degree of individual responsibility especially when dealing with persons under 18 years of age, as your words and actions are an example.
- Avoid unaccompanied and unobserved activities with persons under 18 years of age, wherever possible.
- Refrain from any behaviour that may bring the sport of cricket, a Premier Club, a Community Cricket Peak Body, a Region or Affiliated Club and Association into disrepute.

b. Administrator Code of Behaviour

c. Coach Code of Behaviour

The environment created by a coach is integral to the overall experience of all players involved within your cricket club. See below some foundational expectations of coaches within the community. They are by no means exhaustive, but are a great starting point:

- Remember that many players participate for pleasure and winning is only part of the fun;
- Never ridicule or yell at a player (particularly young players) for making a mistake or not coming first;
- Be reasonable in your demands on players' time, energy and enthusiasm;
- Operate within the rules and Spirit of Cricket and teach your players to do the same;
- Ensure that the time players spend with you is a positive experience;
- Avoid overplaying the talented players - all young players need and deserve equal time, attention and opportunities;
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players;
- Display control and respect to all those involved in cricket. This includes opponents, coaches, umpires, administrators, parents and spectators. Encourage your players to do the same;

- Work equally hard for yourself and your teammates. Your team's performance will benefit and so will you.
- Be a good sport. Applaud all good play whether made by your team or the opposition.
- Treat all participants in cricket, as you like to be treated. Do not bully or take unfair advantage of another competitor.
- Cooperate with your coach, teammates and opponents. Without them there would be no competition.
- Participate for your own enjoyment and benefit, not just to please parents and coaches.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.
- Participate because you enjoy it, not just to please parents and coaches.
- Participate fairly and safely.
- Do not engage in practises that affect sporting performance (alcohol, tobacco and drug use.)
- Respect and acknowledge the contribution of those who create the opportunity for you to play.
- Respect your coach and train and play to the best of your ability and develop your participation in accordance with the Spirit of Cricket.

Some of the greatest role models we have in our cricketing community are our parents. When assisting and supporting at your club's games please keep in mind the codes of behaviour listed below:

- Do not force an unwilling child to participate in cricket;
- Remember, children are involved in cricket for their enjoyment, not yours;
- Encourage your child to play by the rules;
